HAZARIBAG ,JHARKHAND (825301)

A motivated full-stack developer skilled in building dynamic, responsive web applications using the MERN (MongoDB, Express.js, React, Node.js) stack.

PROJECT

- UNNATI WELFARE SOCIETY WEBSITE | [LINK](#)**
Developed a fully responsive website for the NGO, aimed at promoting its mission and enhancing user engagement. The site offers information on the organization's initiatives, events, and donation options.
- PACKET.it | [LINK](#)**
A simple landing page for a packaging and parcel website typically emphasizes user-friendly navigation and clarity
- PORTFOLIO WEBSITE | [LINK](#)**
Developed a personal portfolio website featuring a 3D design to showcase web development projects and skills. The site emphasizes a visually engaging user experience and includes project demos and a contact form for inquiries.
